

ATM/ANS DESIGN OR PRODUCTION ORGANISATION CERTIFICATE

EASA.DPO.002

Pursuant to Regulation (EU) 2018/1139 of the European Parliament and of the Council and Commission Implementing Regulation (EU) 2023/1769, and subject to the conditions specified below, the European Union Aviation Safety Agency hereby certifies

JOTRON AS

RINGDALSKOGEN 8
3270 LARVIK
Norway

as a Design or Production Organisation (DPO)
for ATM/ANS Equipment

CONDITIONS:

1. This certificate is issued subject to the conditions and the scope of work as listed in the attached Terms of Approval.
2. This certificate requires compliance with the procedures specified in the latest revision of the Organisation Exposition.
3. This certificate is valid whilst the approved organisation remains in compliance with Commission Implementing Regulation (EU) 2023/1769, the applicable requirements of Annexes II and III of Commission Delegated Regulation (EU) 2023/1768, and other applicable regulations.
4. Subject to compliance with the foregoing conditions, this certificate shall remain valid unless the certificate has been surrendered, limited, suspended or revoked.

Date of original issue: **17/09/2026**

Date of this revision:

Revision No: **Initial**

SCOPE OF DESIGN

Category	Type of ATM/ANS Equipment	Details of Design
Design of ATM/ANS equipment requiring a statement of compliance	Equipment supporting air traffic services (ATS)	---
Design of ATM/ANS equipment requiring an EASA certificate	Equipment supporting controller-pilot communications	Air-to-ground voice radio communications Air-to-ground voice communication system
Conditions		
Limitations		

SCOPE OF PRODUCTION

Category	Type of ATM/ANS Equipment	Details of Production
Production of ATM/ANS equipment requiring a statement of compliance	Equipment supporting air traffic services (ATS)	
Production of ATM/ANS equipment requiring an EASA certificate	Equipment supporting controller-pilot communications	Air-to-ground voice radio communications Air-to-ground voice communication system
Conditions		
Limitations		

PRIVILEGES

The holder of this design or production organisation approval shall be entitled, within the scope of these terms of approval, and under the relevant procedures of the management system:

1. to classify changes to ATM/ANS equipment as “major” or “minor”;
2. to approve minor changes to ATM/ANS equipment certified under Delegated Regulation (EU) 2023/1768;
3. to issue statements of compliance of ATM/ANS equipment pursuant to Article 6 of Delegated Regulation (EU) 2023/1768;
4. to apply for certification of ATM/ANS equipment, or for changes to it, in accordance with Delegated Regulation (EU) 2023/1768;
5. to issue EASA release forms stating that the ATM/ANS equipment has been produced in accordance with the applicable requirements of Regulation (EU) 2023/1769 and with the applicable design data.
